"Dear Ted, Thank you for handling the sale of my Quiznos Store Equipment. I am very pleased with the amount of the check and settlement package I received from you. The professional and courteous manner in which you and your staff disassembled, packed, loaded, and transported my equipment to Indianapolis is very much appreciated. You made the closing and liquidating of my store stress and effort free for me and this is invaluable. Again, THANK YOU! I will certainly refer other Quiznos owners to your company in the event of their closing."

Sincerely,

Susan J. Cook, Owner

If your company is considering relocating, downsizing or liquidating surplus equipment, or you need an appraisal that represents current market conditions please call us for a free, no obligation consultation. In many cases we can make or save you thousands of dollars.
