*"Dear Ted, I would like to take this opportunity to thank you and everyone at Commercial Liquidators for the fine job you did liquidating Zoobies' furniture, fixtures and equipment. Your moving crew did an excellent job moving all the equipment, including items such as the hood and Ansel systems. The sale, I thought, went very well and you were quite accurate in your assessment of anticipated proceeds. In my book, Commercial Liquidators is the best for business liquidation needs. I look forward to working with you on future liquidation projects."*

Sincerely,

Michael J. Rees, Chairman
