*Hi Ted – I want to thank you and your staff for the excellent job in auctioning our restaurant equipment. It was a completely pleasant experience from the beginning. I was amazed at the effort put forth to examine and inventory every item in this massive auction. Throughout the entire process I was very impressed with the experience and professionalism of all of your staff. I was amazed at the man-hours dedicated to the arrangement and careful presentation of both the items and the entire event. The advertising was obviously right on target as we had a great crowd of bidders. I attended the auction and was amazed how well you and your employees did. I was pleasantly surprised with the total revenue as it was more than I expected. Thanks for a great job. I will definitely recommend you anytime. - John Imo - Grafton Inn/Grafton Banquet Center*
