| | 4 Ton Floor Jack - \$143.00 |

Dear Ted: Just a little note to thank you and your staff for the wonderful service that you provided us in handling the auction. Everything that you told us in the beginning happened just as you said it would and with no surprises. It sure was a pleasure the way you and your staff handled everything from the time that your started arranging all of the equipment to all the time spent in the final clean up. I want to thank you so much for going way above and beyond the agreement that we had. I am so thankful that we decided to use your company. You made a somewhat undesirable situation completely bearable.

If I should ever need the services of a liquidator again or be in the position of recommending one, there is no doubt as to which company I would pick. Commercial Liquidators of course. Again Ted, my most sincere and heartfelt thanks for one of the most professional and helpful companies that I have ever had the pleasure to be associated with.

Best wishes to you and your staff,

Sincerely yours,

Thomas Williamson

Thomas Williamson Construction of Indpls Co., Inc.

If your company is considering relocating, downsizing or liquidating surplus equipment, or you need an appraisal that represents current market conditions please call us for a free, no obligation consultation. In many cases we can make or save you thousands of dollars.
