“Commercial Liquidators of America exceeded my expectations with their professionalism and more importantly the final amount of proceeds from the liquidation sale. I would highly recommend and use this company again. The best part of doing business with Commercial Liquidators is that I could hand over the keys and they did the rest.” Best regards, Davis Bethel, Kite Realty Group

If your company is considering relocating, downsizing or liquidating surplus equipment, or you need an appraisal that represents current market conditions please call us for a free, no obligation consultation. In many cases we can make or save you thousands of dollars.
