Dear Ted, I want to take this opportunity to thank you for all of your hard work that you did on our behalf for our most recent collection and liquidation. You used your knowledge and expertise to organize and market some very specialized machinery and equipment for the bank and we appreciate it. Without your help we would not have been able to realize proceeds that your sale generated. Again thank you for the professional manner in which you handled all facets of this process. We hope we don't have to use your service but if we have need of your marketing expert we will be calling you. Thanks Ted. Sincerely, David A. Ellis, Assistant VP, Jackson County Bank

If your company is considering relocating, downsizing or liquidating surplus equipment, or you need an appraisal that represents current market conditions please call us for a free, no obligation consultation. In many cases we can make or save you thousands of dollars.
